

Agency Tips & Tricks

Upload your logo!

If possible, include specific projects, programs, or activities under "What We Do."

Include website & social media links on your profile.

Include pictures!

Post your needs under multiple relevant interests. More people will see them that way!

Create ongoing needs, but make sure they stay current.

Post as much information as possible, even if it seems duplicated.

Try to check your profile to see if it needs updates monthly!
