

What can being a SERVE365 Engaged Employer look like for you?

OFFER YOUR EMPLOYEES AT LEAST 8 HOURS A YEAR OF VTO

Whether they'd prefer to take it all at once and make a day of volunteering, or spend a couple hours every so often when events are happening, we'd like to encourage the adoption of Volunteer Time Out, paid hours that employees can spend out of the office and giving back to the community. Log these volunteer hours on SERVE365, so we can shout out your employees' community contributions!

ORGANIZE A COMPANY-WIDE DAY TO VOLUNTEER

Get your employees out of the office at least one day a year for a paid group volunteer project, all together. If you're a larger company, instead of a company-wide day, try splitting up by department. If you need help finding group volunteer opportunities, [get in touch with us!](#) We'd be happy to contact our member organizations and see if we can find you a service opportunity.

SOMETHING ELSE!

Does your company already have an established time or method of volunteering that you prefer? [Let us know!](#) We're flexible on how you choose to encourage volunteerism among your employees.

Why become a SERVE365 Engaged Employer?

INCREASED EMPLOYEE MORALE

People like to know that their company is helping the community, and they like to contribute to that help themselves!

BUILD BRAND RECOGNITION AND INCREASE TRUST IN YOUR LOCAL COMMUNITY

GET RECOGNIZED!

As an Engaged Employer, the Dan River Nonprofit Network congratulates you for your commitment to service. You will be invited to and recognized at our annual Volunteer of the Year event and on our website. If you organize an Engaged Employer day of service, tag us on [Facebook](#) and we'd love to share it to our page and potentially our newsletter!

CONTACT US!

If your company would like to join our Engaged Employers program, don't wait! Email us today at serve365@danrivernonprofits.org to discuss how best to make being a SERVE365 Engaged Employer work for you.
